

Mt Tiger Archers

Family Fun Day

30th March 2025

Twenty-five archers arrived at the Club today for the Family Fun Day.

It was a great morning at the Club – sun shining – birds singing – fantails rushing all round the place not to mention that all the very young archers doing the same.

Lots of jokes and challenges being issued by the young archers to their parents – luckily for most parents they had a better score than their child. It was going to be a long walk home for the young ones if they beat Mum or Dad – just saying....

A few photos taken from targets 1 and 2 to give some idea of what the day was about.

Rob and Craig has set up a 10 target 3D course with interesting animals – white turkeys and white beavers – both having had some cosmetic painting but they looked great and added another dimension to the shooting.

Well done to everyone who joined in the day – full results attached as well.
