Now everyone goes to Wellington will full expectation of wind, rain and more wind and rain

BUT NO

the sun shone the wind wasn't there and the Kapiti Archery Club courses were particularly challenging with the morning round shooting into the sun and the afternoon round shooting into the setting sun. Talk about add a challenge. Well done to all archers who competed and sounds as though everyone had a great weekend.

Our Club members Ethan Russ and Trevor Irvine taking first place and winning gold in their respective divisions and Lois Howe taking second place and winning silver.

Ethan & Lois are off to Brazil in August to shoot the International Field Archery Association (IFAA) World Marked Championship. Ethan and Lois have been training every Sunday to fine tune their rounds to gain maximum fitness and the whole club is supporting Ethan and Lois on their competition. Both Ethan and Lois have made the Black Arrows team so we all wish them well at the event.
